

A New Life For Your Deck!

Our new Deck Cover is like giving a New Life to your deck. This cost effective solution to covering your deck works as a tongue and groove plank system. It will provide years of low maintenance, eliminating the need to paint or stain.

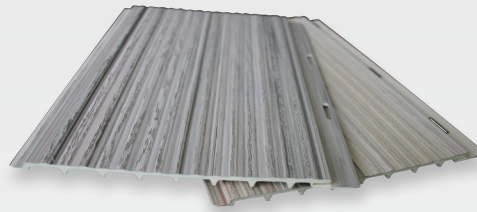

The attractive wood grain appearance will not splinter, flake or peel and provides a slip resistant, stain proof surface that kids can safely play on.

Due to heavy traffic, most deck boards surface pattern wear out quickly. Our superior surface design & finish will stand up to years of traffic. The slotted holes allow for contraction and expansion.
